OUTCOMES FROM PREVIOUS MEETING

Get a range of prices for football goals for back gardens
House 3 to put together plans and prices for decking in their back garden
Plaques now up on all houses

REPS MEETING MINUTES

Summer equipment for the houses for summer term. Skipping ropes. Football goals. Water soakers. Slip n slides for the field. Possibility of a trampoline. Tennis equipment. Swing ball. Gazebos. Large Jenga and noughts and crosses. Seating for the back gardens.

Culture night possibly between April and summer term. Football culture night. Ranging from early football 1920s to present day. Different teams for different houses.

Media library. New games. Is there a chance of each house having an ipad to take responsibility for it themselves? Could be built into a reward in the house rather than it been locked in the media library. Media Library Seems to be a bit of a mess at the moment. Can someone take ownership of this? Could do with a revamp.

RESIDENTS COUNCIL MEETING

Board games for the houses. Games in house 5 are not tailored towards girls. Could we have a budget for a restock rather than use petty cash which is primarily used for everyday stuff. Staff in houses have a look at what games are actually complete and produce a list to see what we have and don't have.

Camps. Girls are going on their own camp. Key stages 4 are going on their own and key stage 3 are going on their own. Can the camps be discussed as to what the children will be doing on camp at the next house children's meeting?

Britain's got talent. Reminders that people need to be practicing their act.

Full residential sports activities. Ideas for the next meeting from your children's house meetings.

Attendance and homework. Seem to be happy with the incentives. Are we allowed to save the money so we can have a build-up if a certain house wins it more than once?

Menu for the houses. Menus overall are good although need to discuss this more at your house children's meeting

Plaques are now up and look great.

Meeting ended at 1.25pm.
